

ONE PRESS GERMANY

SBR compressed air hose

- SBR rubber hose
- excellent low temperature resistance
- weather resistant

MEDIUM

PROPERTIES

Structure:

Multilayer hose, made out of Styrene Butadiene Rubber (SBR), yellow with blue stripe, polyester yarn reinforcement

Characteristics:

Flexible and robust compressed air hose with highly tear-resistant fabric, smooth core and cover for easy connection or pressing, resistant against mineral oil containing compressed air, kink and abrasion-resistant, weather-resistant

Applications:

Suitable for rough operating conditions in construction & industrial applications. Excellent low temp flexibility

Temperature range:

-20°C up to +100°C

Colour:

Yellow with blue stripe

Specials:

With fully integrated Euro couplings and safety collar
